Subject: Fw: proposed note to Ken on FL

FYI - Lee Forsgren (OW political deputy) will propose to Ken Wagner (Special Advisor to the Administrator) that we have an informational briefing to discuss support for the various states interested in assumption. Below is a note we crafted for Lee to send to Ken.

The briefing (may end up being two) will cover the process/coordination and the who what where of any SWAT team and what are Ken's thoughts on this approach. I have asked that your management (and you) be invited as OECA and OGC need to concur on any approval of a state program.

This will not take place until sometime after the 15th of August (when I, some managers and some of the politicals return from holiday).

- Kathy

Looks good. Ken is traveling right now (big surprise) and isn't in email range. I will send it to him late today.

Hi Lee,
We have prepared a draft note that you can send to Ken W on setting up a briefing regarding FL's interest in 404 assumption. Please let me know if you have any questions.

Thanks,
Mindy
